# 2012 pinot grigio

This vintage of Pinot Grigio will knock your socks off. The excellent growing season of 2012 allowed our Pinot Grigio to fully develop ripe fruit flavors only seen in extra warm years. The heat early on in the season allowed the fruit flavors to fully develop, however, the cooler temperatures and slight rain that followed closer to harvest preserved the desired natural acidity in the fruit. We are thrilled with the quality of this vintage of Pinot Grigio and believe that you will be as well.

## NOSE

Pear, pear, and more pear followed by a hint of honey and some classic minerality from the soil of the Leelanau Peninsula.

## PALATE

A big, luscious, full palate filled with flavors of citrus and apples is complimented by the perfect level of acid to enhance the long finish and leave you feeling refreshed.

## TECHNICAL DATA

variety composition	100% Pinot Grigio
alcohol	12%
ph	3.35
ta	.75
aged	100% in stainless steel tanks
