2016 dry  
riesling

Dry Rieslings are produced throughout the world. You will find dry delicious Rieslings from many areas such as Germany, Austria, Australia, France, Washington, and Northern Michigan. Riesling is a variety that produces lovely aromatics and has high levels of acid, which if produced properly, will age for twenty years with ease. Our 2016 Dry Riesling is part of our small batch series, a limited production product which was created to pair with the finest cuisine and age for years to come.

**NOSE**

Dry in style, this Riesling produces a bouquet of white lilies followed by orange rind and white peach.

**PALATE**

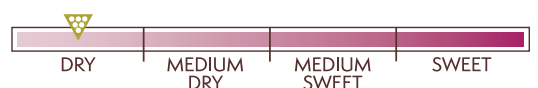

On the palate you encounter a juicy, lush, palate with flavors of peach. The wine has a medium body and perfect acidity on the finish make this wine ideal to pair with a variety of food.
