VINEYARDS

FISHTOWN WHITE

DRY WHITE WINE

Fishtown White was first introduced to the market in the late 1980s and remains a longtime favorite for many Good Harbor customers. It was introduced as a dry, crisp, refreshing white blend and today continues to delight many with its crisp delicious fruit and floral flavors. We believe it is an ideal wine to enjoy while relaxing on a deck or porch.

NOSE

Bright apple, pineapple, and floral aromas combine to ignite your senses and entice you to take a sip.

PALATE

This blend spends almost all of its time in stainless steel, which keeps the fruit and floral flavors bright and crisp on the palate. A full and smooth mid-palate will satisfy most consumers but the balanced acidity on the end will make you salivate and anxious to take another sip.

VARIETY COMPOSITION Chardonnay, Vidal, Vignoles, Seyval

ALCOHOL 12%

AGED Fermented in stainless steel. 1% of the blend spends time in French oak for one week.
