VINEYARDS

HARBOR RED

DRY RED WINE

Rich with aromas of stewed bramble fruit, cherries, and bubblegum, Harbor Red is a wild blend of red grapes most people have never heard of and the majority of the time have difficulty pronouncing. One of our most popular wines, it is slightly heavier in body than a Pinot Noir with a medium palate and a smooth finish with light tannins. It is the perfect wine to sit and enjoy alone or to pair with pizza, pasta, or barbeque.

NOSE

Raspberry jam, dark cherries, a presence of baking cocoa.

PALATE

On the palate you will find fresh raspberries and bramble fruit. Harbor Red is a semi-dry red blend with a medium body and a smooth lighter finish. Often perceived to be more fruity than sweet, this wine is delightful to sip alone or to pair with a wide variety of food. Many consumers often compare the Harbor Red to an Italian table red.

VARIETY COMPOSITION Merlot, Marechal Foch, Leon Millot

ALCOHOL 12%

AGED Fermented in stainless steel. 10% of the blend is aged in French oak for two weeks.
